

# Ms. Janelle's Classroom Tidbits

## Star of the Week!

Each child will be selected to be "Star of the Week" sometime during the school year. An "All About Me" poster will be sent home, a week before it's your child's turn to be our "Star of the Week".

## Classroom Newsletters

Classroom newsletters will be sent home with your child towards the end of each week. The newsletters will contain classroom reminders, information about what we did during the week and a "sneak peek" regarding what we will be doing the next week in preschool.

## Blanket

You may send a blanket with your child for rest time (if they stay all day). We will ask that blanket remains in a child's locker or on their cot during class time. We will send your child's blanket home at the end of each week.

## Sharing Tote!

We have a classroom "Sharing Tote". The sharing tote is a small bag that we send home with all of the students various times throughout the year. When your child brings the sharing tote home they can pick **one** item from home to bring back to school and share with their classmates.

## Sunscreen

If you would like us to put sunscreen on your child while they are at school, please send sunscreen with them to school. We will label it with their name and send it home with your child at the end of the year.

## Contact Information!

## Toys from Home!

Aside from our classroom sharing tote, we do not encourage students to bring toys from home. If your child brings a toy from home we will ask that they leave it in their locker.
